Re: Spouses' Program

We are delighted that you will be attending the American Copper Council's Copper College next month in Scottsdale! Some of our spouses who live in the Scottsdale area have created a program that is guaranteed to entertain all of you! Our goal is to make this a fun experience, and we would love your input if you have ideas for improving the program.

We are grateful to Susan Colner, Ronnie Jaap and Sylvia Wright for their efforts, and you will be hearing from them via email before the meeting.

We would appreciate greatly your taking a look at the Program and letting us know which activities you will attend. Don't worry if you change your mind; we just want to get an idea.

Dress for all events is Resort Casual, with the exception of the dinner on Thursday night when women wear cocktail attire and men wear jackets.

On Wednesday, those who have arrived early will meet for coffee and to get to know each other.

For the Spa Day on Thursday, it is very important that you call the spa as soon as possible to reserve the treatment of your choice. We have attached the brochure outlining their services. Each spouse will receive a \$100 gift certificate to use in the spa for the treatment of her/his choice. In addition, the Spa is offering a 25% discount to all Copper College registrants and spouses who book treatments at anytime between March 9 – 14. Spouses should call ahead to make an appointment as soon as possible. Telephone: 1-480-624-1500. If you have any questions, ask to speak with Monika Haggemuller.

Also attached is a list of spouses who will be attending Copper College.

Looking forward to seeing you!
